x Austausch nur über CMT QS / replacement only by CMT QA

sonst Freigegeben nach Parametern / or else released by parameters
Parameterangaben sind Mindestwerte, bessere Werte ebenfalls zulässig (Toleranz, Spannungsfestigkeit, TK, Leistung) /
Parameters are lower limit, better values are also allowed (tolerance, working voltage, tc, rated power)

Erstelldatum: 04.07.2008 Entwickler: Lustermann Konstrukteur: Roßjat Bearbeiter: Seidel
